It is with pleasure that I introduce our new Director: Claire Ricketts. Claire is originally from Crystal Brook and currently resides in Mundoora. Claire will not only be busy in her new role as Director but will be busy planning her October wedding. Please make her welcome.

What a delight is was to see our children perform at the Bute School Concert. Geraldine and myself were very proud to see the children singing, smiling and enjoying centre stage.

Our Graduation and Christmas Party will be our final celebration for the year. Importantly we have a shared lunch. Please ensure you send or bring in a savoury and sweet plate to share and enough for all of your guests. As a reminder, children still need their water bottle and fruit for the day. Children are dismissed early at 1.30 or after Father Christmas has made his appearance.

Children will still receive their universal access to preschool entitlement of 600 hours in the year prior to their eligible school start date.

It has been an absolute privilege to work with the Bute kindergarten community. I sincerely thank everyone for their guidance, support and wisdom in helping make Bute and District Kindergarten and Rural Care a place for high quality education and care. We have together developed an outdoor learning environment that every child deserves and as a staff team we have embraced the Reggio Emilia Inspired approach to Early Childhood Education and Care. The legacy of belonging and Reggio inspired practice that I leave will be strongly upheld by the dedicated staff that have made my time here inspirational. It is not goodbye but see you later.

See you Later from Vicki
