Welcome back to term 4,
I trust you all enjoyed the October school holiday vacation.

Thankyou to all the families who helped with our end of term cleanup.
Your efforts are greatly appreciated.

Learning
The children will be participating in 2 excursions this term.
Please note that the cost of these excursions and performances are covered in the kindy fees. The DECD bus is free and with myself driving we are able to budget for this amount of excursions.

Grandparents day held at the end of term 3 was again a huge success.
Feedback received was excellent with some good ideas gathered as well.

Our summer vegies are growing well along with our herbs and sensory plants.
The children are doing a wonderful job in caring for these plants part of the team leader role.

HATS & SUNSCREEN
With the warmer weather here please ensure your child has their hat and water bottle and that you apply sunscreen prior to kindy. We do have sunscreen available at the kindy.

Bakery Fundraiser
What are wonderful efforts in supporting the centre through purchasing lots of this totally yummy not so healthy food. We are looking at purchasing a new wood work bench for our children.

Transition
This is an important process for both children and families.
If you would like any information or support through this process please ask.

Regards Vicki

More News
We are planning activities and work at the Fauna Park. We will be asking the children with the help of the Bute Primary School upper primary class to help the teachers in developing a plan for other pre schools and schools to visit. This is an exciting joint project with the school. Stay tuned!
