From the Director:

Wow what a busy two weeks back it has been! It has been great to see creative things going on in the centre. Paula has put together our new woodwork bench and the children have loved it so far!

I have put a story about myself on the whiteboard for you to read… keep an eye on the whiteboard for more staff profiles!

Keep an eye on the whiteboard for other information about what is happening at the centre and in the community.

Our 2016 Quality Improvement Plan (QIP) is still in draft form. I am waiting on final feedback from you. The document is available at the kindy. I look forward to receiving your feedback as this document sets out our learning and goals for 2016.

Annual General Meeting

Thurs 18th Feb 1.30pm

Kindergym Excursion

Thurs 3rd March

Sports Day/Dad’s Day

Wed 16th March

Harmony Day

Thurs 17th March

As a centre we take great pride in promoting a healthy lifestyle with particular emphasis on healthy eating. We will continue to audit lunch boxes on a daily basis. This is a joint project between staff, children and families. We as staff are all parents and are well aware of families time poor lifestyles and the hype of marketing around food products. We will continue to work together by sharing ideas and provide regular feedback. If anyone would like to share healthy recipes, please send them in.

We have a bus driver!

Kindergym Excursion will be on Thurs week 5.

An itinerary will be put in Kindy children’s folders.

A note was put into children’s folders asking to bring in a family photo.

I am looking forward to seeing the photos.
