From the Director:

Learning
We had a great time in Kadina, at Kindergym, the library and the train park. There was lots of persistence and confidence displayed.

Last Thursday as you know it rained and rained! We enjoyed putting on our gum boots and splashing in the puddles. There was lots of experimenting with cause and effect.

The kindy has a new mobile number that we might contact you with.

History Screening
To make it easier for parents and guardians to volunteer their time, the Department for Education and Child Development has updated its relevant history screening policy and procedures.

As a result, parents and guardians who volunteer to directly support their child will no longer require a relevant history screening.
