Learning
The children have been busy creating with loose parts the last few weeks. They have used cardboard and rope to make a cubby house, used pipes to make a castle complete with a water pump and tarps, tyres and pipes to make a campsite. Using loose parts in play has many benefits. For example it helps develop problem solving skills, coordination, mathematical concepts and social skills. If you have anything to add to our loose parts we would love to have them. e.g. rope, milk crates, tarps, large pieces of material or sheets

From Claire, Geraldine, Maria, Paula, Megan, Amy and Sue

School Visits
We have continued our visits to the school. Last week we visited Mrs Pridham’s class to listen to a story and do an activity. We also joined the school to listen to the Innisfail School Band.

Library Visit
This Thursday we will visit the school library. A reminder to sign the consent form if you would like your child to borrow a book. Please remember to supply a bag.

Evaluations
Term 2 Evaluations are in the children’s folders. Please take the time to have a read and make a comment.
