Learning
Last week we visited the Kadina kindergym and Library. This forms part of our educational program for children’s wellbeing. The children learn to take risks in a safe environment. This is important for their growth and development. This term we have been learning about the Emergency Services. On Thursday we had a visit from Fireman Ben and Fireman Scott from the Bute CFS. They talked to us about their role as fireman and answered our questions. The children then climbed aboard the fire truck where Fireman Ben showed us how to use the fire hose.

This Wednesday we will be having a visit from the Mobile Junk Man. He will be bringing lots of loose parts and showing us ways to use them.

From Claire, Geraldine, Maria, Paula, Megan, Amy and Sue

Library Visit
This Thursday we will visit the school library. Please remember to supply a bag if your child wishes to borrow a book. Books borrowed last fortnight are due to be returned.

Contact Details
Please remember to inform the centre if any of your contact details change.

Breakfast
Last week we offered the children breakfast when they arrived. They had a choice of weet-bix, toast and fruit. Please let us know your thoughts on this.

Playgroup
Next Session
Week 8—12th Sept Monday

Rural Care
We are currently looking at Rural Care vacancies for 2017. Please let staff know of your care requirements for next year.
